

In the campaign of 1940 the Daily Herald exercised its political opinion and recommended to the people of this Senatorial District, Honorable Kyle Vick of Waco. His election was gratifying to the people of the District and now that he has taken oath of office as a member of the Senate, it is interesting to note that although he has no previous service record as a member of that body, he was given the largest number of committee assignments of any member of the Senate. Among the important committees of which he is member, is that of Highways and Motor Traffic, Re-districting, and others. At a banquet tendered postmasters in Milam County on Monday night by V. F. Norris at Thorndale, Senator Vick made a speech. He said he was fully aware of the fact that Milam county had been discriminated against in the matter of allotment of highway funds and pledged his entire co-operation to any program the people here might initiate for the improvement of our roads. He is on record for a new bridge across Little River and he is on record for improvement of highway 77 and highway 36 through Milam County. Senator Vick was little known in Milam County prior to the campaign. He has shown entire sympathy with the aspirations of our people and his influential position in the Senate together with the growing esteem of its presiding officer, Coke R. Stevenson, and other members of the body, gives the people of his district the kind of representation to which they are entitled. I predict for Senator Vick a distinguished record of unexcelled public service and I feel sure that the people of Milam County will have no cause to regret having supported him so loyally. The advantageous position he now occupies justifies in every way the high esteem placed upon him by the people of McLennan County, his home, where he served as County Judge for a number of years.

As a Patriot, during the new deal interlude, you have been pretty good. As long as you figured it didn't cost you anything, it was all right to soak hell out of the rich. As a dancer you have been cutting some fantastic capers before high heaven for the edification of a few of the brethren who knew it wouldn't last. You've been right proud of yourself, I know. Now its time to pay the fiddler. You are just a wall eyed tax payer and your nervous system is pretty apt to sour when you hear the dance is over. You should get this in broken doses. It may take several days to tell the story in full. The Daily Herald is obligated to Julian Capers of the East Texas Chamber of Commerce for a survey showing how much money the federal government will collect from the people of Milam County during the fiscal year beginning July 1, 1941. It is a small matter of only \$930,900. The correct way to fix amount you will have to pay is to figure the retail sales volume, and this has been done by Mr. Capers. You know the federal tax which you pay is a sales tax. In addition to the \$930,900 which you must pay in 1941 there is also a debt of \$1,036,200 additional of the federal deficit financing you must assume. Based on the new deal census for 1940 Milam county has a population of 33,000. This means that every human being in Milam county will have to pay \$28 this year. When you assume the additional debt of over one million dollars each one will be required to pay \$30 more or a grand total of \$58. For the federal taxes for New Deal financing in 1941 it will require 20,000 bales of cotton at \$50 per bale. In other words the whole cotton crop this year will have to be paid out to the federal government in taxes. Read it and weep. A man and his wife with 5 children will pay \$196 or about 4 bales of cotton.

This is written from a bed of pain. For a week now I have been flat of my back like Gulliver, with a million little people driving spikes through my joints, and during my rational hours I have been trying to read again John Steinbeck's "Grapes (continued on page four)

WILL SINK U S SHIPS DECLARES HITLER

WAR WILL BE OVER IN 1941 HE SAYS

Adolf Hitler who today has conquered more territory than Napoleon, in a speech to the German people on the eighth anniversary of Nazism in power, told the world that, "We will spring great surprises on our enemies and even the German people don't realize the extent to which we are armed."

Eight years ago the aging Von Hindenberg made Hitler Chancellor of Germany. After that he took complete charge and Germany became one of the world's greatest military powers.

Hitler said that American ships attempting to carry aid and supplies to Great Britain will be torpedoed. "We are not against the American people because they too have fought for their freedom even as we are

now fighting for our own," said Hitler.

In the last three hundred years the British have been plundering states and nations for the sake of their empire and power. From 1871 to 1914, said Hitler, the British tried constantly to involve the German people in a war.

He said, "In 1918 they sent an American over here to plunder the German nation."

"If I had been taken seriously in 1918 I would have been destroyed," said Hitler.

Referring to President Roosevelt, the German Chancellor stated, "the President said that conditions can not be laid at the feet of the German people."

Hitler said that victory will be his and during 1941 the war will be successfully terminated in one way or another, indicating that the Reich will make its supreme effort sometime during the year, win or lose.

FREE MAIL DELIVERY EXTENSION READY

J. R. Hays, postmaster, reported early today that extension of free mail delivery in the City of Cameron is ready to get under way Monday.

The postmaster in co-operation with the Daily Herald early this year brought these benefits to the people of Cameron by obtaining responses from the citizens at large and from the City government.

All that now remains to complete the service is for home owners to put up their house numbers. These numbers are obtained at very small cost and must be paid by the property owners. The houses have been numbered with crayon for the convenience of the owners.

The City has completed naming and placing signs to indicate the streets and also has opened a number of streets and began graveling the streets early this week.

Charles Nabours and August Knipp are alternate carriers in the extension area for free delivery. Eventually a full time carrier will be employed.

The service can not be started until house numbers are up and all citizens living in the area covered are urged to complete numbering and owners should report same to postmaster Hays so free delivery can begin immediately.

Going Away Party For Fourteen Arranged By Veterans Foreign War

Fourteen men leaving Cameron at 11 a. m. Friday for induction into the United States army for one year of training, will be guests of the Veterans of Foreign Wars post at 7 o'clock tonight at the Moore Cafe.

Post card invitations were mailed to the men Wednesday night.

It has been suggested that the various civic organizations of the town sponsor these going away parties for the men who are to make up the new army of America and the Veterans of Foreign Wars are to be congratulated on their interest in these men.

The men will assemble at the local board office at 11 a. m. Friday and will reach San Antonio late in the afternoon where they will begin their service on Saturday in the army.

Rouster C. Flatt Is New AAA Czar

Rouster C. Flatt of Meridian is the new administrator for the government's crop control program in Milam county, known as the AAA.

Mr. Flatt was in Cameron Thursday morning to look over the situation and will return to the City on Saturday to take up his duties as administrator.

Mr. Flatt held a similar position at Meridian and succeeds Guy C. Harteraves in Cameron.

Mrs. Conn Moody and Mrs. John Jeter were visitors in Temple and Waco Tuesday.

ROBBERS GET FOUR YEARS IN PRISON

The Grand Jury completed its work here Wednesday with the return of seven indictments.

Three indictments each were returned against Harold Owens, Robert Cornell and Walter Yewchuk for the robbery of the J. D. Peoples store in Milano on the night of January 10th.

A record appears to have been made in this case by Criminal District Attorney W. A. Morrison as the men were indicted and were each given four years in state prison, all in the same day. The men entered a plea of guilty to the charges.

Officers here have received telegrams asking that two of the men be held for violation of a parole in New York State. However the law in Texas must be satisfied and the men can not be returned to New York until they have served their terms in state prison.

A re-indictment was reported against Alfred Punchard, negro, alias John Cornell.

The negro was indicted for the burglary of the Henry Moeller home near Cameron and with the indictment is an habitual criminal phase and Criminal District Attorney Morrison will press these charges against Punchard.

He was sentenced to prison from Cameron in 1928 and has a criminal record and based on this record the District Attorney will conduct prosecution under the habitual criminal Statute.

Lee Heath Home Is Destroyed By Fire

Fire of undetermined origin at 3:20 a. m. today destroyed the home of Mr. and Mrs. Lee Heath on North Central Avenue.

The family, asleep in the home, barely escaped with their lives and nothing was saved in the way of clothing or household furnishings. Only a portion of the frame work of the home was left standing after the fire.

Cameron firemen responded at this difficult hour and although their work was efficient the home could not be saved.

The home and contents were insured by the Camp-Baskin agency but the amount of insurance was not announced.

DAILY HERALD TO NOMINATE COMMERCE DIRECTORS

The Cameron Daily Herald will nominate as a suggestion only, twenty-four business men it believes should be elected directors of the Chamber of Commerce.

This nomination is in no way intended to reflect on any one but in view of the vital need for a program to build up our City we will take the liberty of calling publicly upon twenty-four men to serve on this board.

These names will be published in the Daily Friday.

Mrs. E. P. Canova of Gause transacted business in Cameron Monday.

YOEMEN WIN CLOSE ONE FROM TEMPLE

Buck Strickler, fleet Yoeman forward, shot an extra-period field goal that won a very hard fought game over the Temple quintet 17-15 Friday night.

With 5 minutes left to play in the game the Wildcats with a 13-12 lead, Strickler put the Yoemen ahead with a long field shot. Pfardrescher, Yoemen center, made a free throw to give the Yoemen a lead of 15-13 with 3 minutes remaining. Temple tied the game up with two free throws which set the stage for the extra period and Strickler's winning goal.

Pfardrescher with 11 points was high man. Hardt, all state end, was second high with 10 points.

The defensive play and ball hustling of Robert Lee Salach was on par with the best ever seen on the local court. Bobby Hays, William Sweet and Alfred Massengale, guards, played good defensive ball and brought the ball up well on the offense. Gene Phipps, forward, hampered somewhat with a bad cold, turned in his usual good game. Cecil Tindall, guard, saw service in the third period and held his man scoreless. Alexander and Kunz did not see service but were ready.

The Yoemen were pleased to see such an unusually large crowd present for the game last night to cheer them on to victory. The Yoemen have won 6 of their 9 games played and scored 198 points to their oppositions 178.

W. C. Wallace, City Attorney, Volunteers For One Year In Army

W. C. Wallace, city attorney, will leave Cameron within the next few weeks for a one year enlistment and training in the army under the selective service law.

Mr. Wallace is a volunteer.

Elected to public office last April the local board gave him occupational deferment. When the city attorney received his questionnaire he asked for Class one A. Due to improper interpretation of the law the board here disregarded Mr. Wallace's claim for immediate induction.

Mr. Wallace has asked for 60 days in which to get his business in hand and has been granted the time by the board. He has successfully passed physical examination and will no doubt go to training camp in March.

Public officials are not deferred under the selective service law, with certain exceptions. County Judge, District Judge and members of the Legislature are exempt.

Mr. Wallace has taken an unselfish and highly commendable attitude in the matter and sets a fine example of personal sacrifice in serving his country. He will leave his city job and the practice of law for a \$21 a month job with Uncle Sam's men now getting in shape for army duty of national emergency arises.

Men Who Refuse Work Will Be Arrested for Vagrancy Says Smith

City Marshal Gene Smith requested publication today warning that all men who refuse to work and loiter about the streets will be arrested for vagrancy.

Farmers who are needing labor have complained that men without jobs, especially negroes, have refused to work.

The Marshal says he will arrest them for vagrancy and warns that all negroes who refuse to work will be taken up at once.

Mr. Smith says he believes this is no time for able bodied men to refuse work. Government work has created some dissatisfaction and made it hard for employers to get labor, especially farmers during seasonal demand.

New Justice Named But Who Is He?

Successor to Justice McReynolds has been named by President Roosevelt but who the appointee will be could not be ascertained.

It was reported from Washington that Roosevelt had determined the man for the place but had not announced his name. It will give the New Deal six members of the court.

Senator Vick Will Take Part in Radio Program Sunday

Senator Kyle Vick of Waco will take part in a radio program tribute to Milam County at 9 o'clock Sunday morning, February 2nd.

The program which is being sponsored by the Duncan Coffee Company and known as the Bright and Early program, will be heard over WOAI, San Antonio; WFAA, Dallas; KPRC, Houston; and KNOW, Austin.

Senator Vick is deeply grateful to the people of Milam County for their support in the recent primary election and is happy to have a part in this program which will be of great interest to all the people.

The program will have a historical background and will also include an industrial survey of its towns.

Tune in at 9 o'clock Sunday morning and hear Milam County eulogized by Senator Vick and others who will appear on this program.

New York Police Wire for Young Men Held in Robbery

Harold Owens and Walter Yewchuk are wanted in New York by state police for breaking a parole from Elmira State Reformatory.

Telegrams were received Tuesday by Sheriff Valter White from New York police asking that the men be held pending arrival of warrants from that state.

The men are under charges of robbery of the J. D. Peoples store in Milano on Saturday night, January 11th.

With them at the time of the robbery was Robert Cornell, 17, who claims to be a native of Missouri.

The grand jury which will be called into session here Wednesday is expected to consider these charges.

Brenham Votes Feb. 8 On Bonds for Municipal Light System

Brenham — The Brenham City Council Wednesday ordered an election to be held on February 8th to determine whether revenue bonds in the amount of \$200,000 shall be issued for purchase of the electric light and power distribution system in Brenham.

Only as many of the bonds as are actually needed to purchase the system will be issued.

While the election ordinance mentions 4 per cent as the maximum interest to be paid, negotiations with bond buyers have already indicated that the rate as low as 2 1-2 per cent or lower can be obtained.

Tax Contract Vote Not Unanimous; Stidham Was Opposed To It

The vote of the Commissioners' Court on the recent renewal of the delinquent tax collection contract with Emory B. Camp was not unanimous.

Commissioner Grady Stidham requested a correction on the recent report. Although no vote was announced it was thought there were no dissenting votes.

Mr. Stidham voted against extending the contract with Mr. Camp and his vote was recorded in the minutes of the Commissioners' Court.

Commissioners' Court minutes are usually several weeks getting on the books and news of what happened in its entirety is hard to get unless a reporter is sitting in.

Two years In Prison For Negro Who Cut Another in Card Game

Bennie Smith, Jr., negro, was given two years in prison by a jury in district court here Friday for the stabbing of another negro in a card game some time ago.

Smith became angered when too many cards were discovered in the game. Chas. Green, negro, was standing at the rear of Smith's chair as the game progressed. Smith jumped up and stabbed him. For several days his recovery was doubtful.

Jack Lewis, former criminal district attorney, was defense counsel for Smith and the prosecution was conducted by W. A. (Bill) Morrison, Criminal District Attorney.

A. J. Steele of Maysfield transacted business in Cameron Friday.

ETHIOPIA RISES AGAIN UNDER KING SELASSIE

King Haile Selassie of Ethiopia was back in his native land today and with him a great army of native troops supported by British bombing planes and mechanized equipment.

The Conquering Lion of Juda, descendent of Solomon who fled when Benito Mussolini attacked his Kingdom and conquered it in 1935, was set down by a British plane at an undisclosed destination in Ethiopia here chieftains of many army commands met him and there in the jungle of his country they pledged war to the death on the Italians.

Already well trained units are in operation under British guidance and the spirit of revolt was sweeping the oldest empire in the world. The Ethiopians do not take prisoners. They kill every soldier they oppose or die themselves. They have been held in restraint by Selassie himself who has counseled against the day when he would return to take up the fight for the Throne of Solomon.

Italians will be swept out of Africa and will not only lose the conquered empire of Ethiopia but all Italian territory owned before they began the conquest that led to British declaration of war.

The British Hell on Wheels gathered momentum today as the tempo of one of the greatest offensives in history increased.

The African desert was alive with marching armies and death dealing machines. Out of the air death rained upon the fleeing army of El Duce and the whole picture was one of stark disaster for Partner No. 2 in the Axis that set out to conquer the world.

On four fronts in Africa the British were tearing at the Italians. Already half the army of Mussolini are in British hands and every important base on the Mediterranean has been lost. It is the end. The African campaign will be ended shortly.

PRESENCE OF GERMANS MAY HAMPER REVOLT

According to reports issued by the German radio German troops are now pouring into Northern Italy.

A report of this kind is not to be expected from Germany but assurances were made that the troops are receiving a warm welcome from the Italian people.

Considering the fact that Greece would be easily accessible to supporting troops for the Italian campaign against Greece through Bulgaria and that there have been no German air raids on Greece, the presence of Italian soldiers in Italy at this time could only mean that there is a question of the loyalty of Mussolini's subjects.

Hitler has no access to the Mediterranean by sea and none through land except Italy so that a revolution in Italy at this time may mean the forestalling of new plans for a conquest of Africa.

The aftermath of the revolution in Rumania has resulted in the organization of a new government under General Antonescu which act leaves some doubt as to the extent of the co-operation with Hitler of the new government head or of the famous Iron Guard charged with perpetrating the recent outbreak. Antonescu has pledged that all members of the Iron Guard who bore arms in the revolution will be caught and shot.

Meanwhile two steps in advancing aid to Britain were under way. Cordell Hull who is strong for all possible aid testified to a house committee behind closed doors today as Wendell Willkie arrived in England "to verify the war." Mr. Willkie also plans to make a trip to Ireland to talk with De Valera president of the Irish state.

BATTLE OF ENGLAND WILL BE BLOODY ONE

England expects to lose 250,000 soldiers killed, half her air fleet and three fourths of her naval strength in the forthcoming invasion attempt by Germany.

With five days and no bombings England got ready today for the Nazi storm.

It will be the greatest attack in history, so say the military experts. Germany will lose it but will establish at least one bridgehead after several unsuccessful attempts.

London felt today the invasion is coming and are ready for it. At least 120 different invasion plans have been built against by the British. They say they won't be taken by surprise.

Interceptor ships in the air from the United States are flying in increasing numbers over the Atlantic. When the invasion attempt comes American planes will be in the thick of it. Intrepid British fliers take off from Canada. They eat breakfast in America and have tea in England, was blown several times.

The train was No. 16 and 40 minutes late and may have been thought by Britton to have passed through. The train is due in Cameron at 1:25 p. m. according to R. P. Bennett of the Santa Fe railway station.

At first it was thought a car had been struck by the train. Rumors spread rapidly and hundreds of people gathered at the crossing which is on East First street leading to Highway 77 to the East River road.

Sheriff Valter White and deputies were on the scene immediately after the accident was reported.

The body of Britton was picked up by a Marek-Burns Ambulance. Medical aid summoned was too late. Britton was killed instantly.

The body was taken to the Marek-Burns Funeral Home where it is being held pending funeral arrangements. Britton was not married and names of survivors were not obtained at the time of going to press.

PENN WOLF ILL

Penn Wolf, former District Clerk, has been critically ill at his home with influenza. A report to the Daily Herald Tuesday indicated he is considerably improved and may be out in a few days.

RUFUS BRITTON DIES INSTANTLY AT 2 P. M.

Rufus Britton, aged about 60, was instantly killed by a north bound Santa Fe passenger train shortly after 2 p. m. Saturday as he walked along the track entering the city near the plant of the Cameron Ice & Cold Storage Company.

The body of the aged man was hurled from the track some distance into a ditch. His shoes were missing from his feet when he was picked up.

Mr. Britton, lived in a farm house on the Jess Angell place, in the Watts Smith community, and was believed to be on his way to the city for Saturday trading when he was struck by the train.

Mr. Britton, it was said, was partially deaf and his eyesight not good.

According to information given the Daily Herald the engineer saw Britton but could not attract his attention. The whistle of the engine meanwhile setting down their ships, one after another for the coming blood bath of the British isles.

Hitler is going to make it terrible. He will use gas, they say, and the British are preparing. German bombers will fly over in thousands. There will be mass battles in the air. Death will be everywhere.

The Germans will lose a million men, will be rolled back and fail. That's what the British and other military experts say who have seen what the English have in store for Hitler when he comes.

The Germans take a different view. They think they can do the job. They know it's going to be hard. Hitler is mad. He wants to show the English how he can slaughter.

The British believe so strongly that its coming now they were ready today. Millions of British soldiers with ever modern weapon known to warfare are waiting. There is no respite. When the Germans land, if they do, it will be fighting man to man. There won't be a repetition of the Fifth Column march on France. The British are resolved to die every last one of them.

The British fleet, greatest sea force ever assembled, cleared its decks today. The grizzled warriors of John Bull's navy will sacrifice

every ship if need be, but there has never been anything like the toll of dead they will take of the Germans.

Parachute troops are likely to be slain when and wherever they land. The Britons are mad, mad as hell. Twenty-five thousand of them have been slain by Hitler's bombing planes.

Lord Halifax, new British ambassador, in his first statement since reaching America, today said Hitler lost the war in June. When the disaster came in Flanders he failed to follow it up and lost war.

In Africa the Italians were in full flight. In Ethiopia King Haile Selassie went into action at once. His warriors springing to arms were hurling themselves on the Italians and bloody battles were in progress.

Reports indicate that the Ethiopians were well supplied with British aid and along with them are British troops, something they did not have in the war in which Mussolini drove out their king and took over their country.

WHERE IS CHIP? Alarm Spreads

The whereabouts of "Chip," fat walker hound, veteran of many trails, was an urgent question today. He has been missing from the street for several days. Jim Sampson thinks these coon barbecues may turn up some evidence. Chip was awful fat and nice, but it's hard to believe anyone would take him. He's so kind and gentle.

Mrs. W. C. Moody and Mrs. John S. Batte were week end visitors in Smiley where Mrs. Moody was honoree of a miscellaneous shower.

Max Kennedy Gives Coon Barbecue

Max Kennedy, former sheriff, was the good host Friday at noon on his favorite farm in the sand country east of the city when he prepared a baked coon dinner for ten people.

With the baked coon he served potatoes and trimmings and it was a real menu for enjoyment. Mr. Kennedy is a genial host.

There were no radio talks, said the former sheriff but plenty of coon.

Mr. Kennedy retired to his sandy land farm when he went out of office. He also owns a black land farm but says too much is required on black land and too much is expected of a farmer.

JOHN METAXAS, GREEK STRONG MAN IS DEAD

Premier John Metaxas, the "strong man" of Greece, died early today and his passing was mourned throughout the Greek empire.

The death of Metaxas came on the eve of a large scale offensive war launched against the Italians for the capture of Balona in Albania.

Metaxas died following a throat operation on Saturday and a subsequent blood transfusion. He had been twice banished from his native country for fomenting revolutions, but came to power in Greece in 1935.

British Frown On Shipments to Russia

The Roosevelt Administration in Washington had run afoul of British displeasure today over shipments of goods to Russia.

The British say that the Soviet are feeding Germany and goods consigned to Russia in effect find their way into the Reich thus defeating the British blockade.

Communists occupy many strategic places in the government of the United States. Roosevelt has encouraged a labor regime in the country and it is not surprising to close observers that Russia would command whatever trade advantages she asked for.

As an aggressor nation Russia's hands are as red as Nazi Germany. Radical labor elements in the country are exercising and have always played a prominent role in the shaping of American life under the Roosevelt administration.

42 LEISURE CLUB

With members of the 42 Leisure Club as her guests Mrs. Steve Marak, Jr., entertained on last Thursday evening. A color scheme of green and orchid were used throughout the party. Visitors were Mesdames Bill Balhorn and Lincoln Mondrik. The prizes were awarded as follows: Mrs. Henry Dakel, won high; Mrs. John Matyastik, second high; 54 prize went to Mrs. L. F. Slama and Lucky prize was awarded to Mrs. Arnold Juergens. The hostess assisted by Mesdames Lincoln Mondrik and Leo Stecher served sandwiches, potato chips, cookies and coffee.

ED HEWITT DIES IN HOUSTON TUESDAY

Ed Hewitt, former resident of Rockdale and prominent oil man, died in Houston Tuesday at his home.

Funeral services were held in Rockdale at 10 a. m. Thursday and interment made in the Rockdale cemetery.

He is survived by his widow and a number of brothers and sisters.

"Build-Up" Important Protector of Women

A weak, undernourished condition often enables functional dysmenorrhea to get a foothold; thus leads to much of woman's suffering from headaches, nervousness, and other periodic discomfort.

CARDUI's principal help for such distress comes from the way it usually stimulates appetite; increases flow of gastric juice; thus aids digestion; helps build energy, strength, physical resistance to periodic pain for many.

Another way, many women find help for periodic distress: Take CARDUI a few days before and during "the time." Women have used CARDUI for more than 50 years!

OUR TOWN

of Wrath." Being flat of my back should make me eligible for a directorship in the Chamber of Commerce. If I get up like Gulliver did, I will disqualify myself. What we read influences us to a great degree. I feel so poverty stricken after following the fortunes of the Joad family that I am sure I will be in charity by the week end. My battling average against this plague is not near as high as Joe Moore in his worst years, but a few kind friends have been along to cheer me and if the Lilliputians don't nail too many spikes in me, I'll get up some of these days. I may look like Frankenstein, but they say it will wear off with kindness.

Well, I made it. Lilliputians, forty-thousand of them, tied Gulliver while he slept on the beach. You remember the story, how they hauled him to town. The Lilliputians were little fellows, not more than 6 inches high and they had little horses in proportion to them. Its the way pfue works on you. I think there must have been a million or more Lilliputians. I promised not to bother them no more. I hope they lay off me. They let me up like Gulliver. He was a giant but they got him nevertheless. I guess I have lost my chance to be a director in the Chamber of Commerce now that I am up off my back. Came down today. There are a lot of broken threads to mend and to get hold to. It'll take me several days before I can think of something real mean to say. We are going to have a good year. You see the annual banquet of the Chamber of Commerce is in sight. Already the speaker has been named. They just about make it from one banquet to another. It's a great year if they have a good banquet. I'm going to stagger out to the gym tonight, if the Lilliputians don't get me. Temple is playing Cameron. You can see those great Temple all state football boys play basketball tonight if you are not too lazy and sorry to come out. There's Dusek, Hardt, McLerran, Hill and Byers. It's going to be a fine game. I can get in if I pay my way, so can you. Get that Chamber of Commerce ache out of your joints and let's give the Yoemen a good support against Temple tonight. I'll tell you tomorrow how much money you got to raise individually to help Roosevelt help the British win. So long as we got a governor who kills buffalo and feeds the people everything is going to be alright.

Cameron History Club met Wednesday afternoon with Mrs. W. C. Weise in her newly completed home on North Travis Avenue. Mrs. W. G. OXSHEER SMITH FOR BRAZOS BOARD PLACE

Oxsheer Smith, president of the Citizens National Bank, was being urged by Cameron citizens today for appointment to membership on the Brazos River Reclamation Board which also has under consideration vast power projects to be constructed.

If Mr. Smith is appointed he will succeed J. D. Baskin as a member of the Board.

P. W. Davis, president of the Cameron Rotary Club and manager of the Congress, was obtaining signatures to the appeal for the appointment of Mr. Smith.

Milam County has been badly treated in legislation effecting remittances of taxes in the flood control area and Milam County is deemed to be one of the vital counties in the whole area affected by the proposed flood control and electrical power generation.

Mr. Smith is vitally interested in the success of this program and would give Milam County beneficial representation on the Board.

THOMAS JEFFERSON WHITE VOLUNTEERS FOR SERVICE IN ARMY; LEAVES JAN. 31

Thomas Jefferson White who graduated from Rice Institute in June 1940 will leave Cameron on January 31st for the United States Army induction center at Fort Sam Houston.

He is a volunteer and will serve one year for his part in the national selective service system.

Having obtained no satisfaction from applications filed for the air service where he sought to be a flyer, he decided to volunteer and serve his year in the hope of later obtaining admission to the air corps.

As a chemical engineering student at Rice he was elected to Phi Beta Kappa based on three years of outstanding student work. He will get \$21 per month as a member of Uncle Sam's great army of recruits.

Funeral services were held for Joe Butler, prominent and long time resident of the Gause community, Monday at 2:30 p. m. from the Methodist church at Gause. Burial was made in the cemetery there.

BRIDE ELECT IS ENTERTAINED

The approaching marriage of Miss Catherine Terry and Buck Whiteley was announced at a 42 party given by Mrs. Mott Terry on Thursday night at her home. Following the 42 games at which Miss Mabel Armstrong won high score and Mrs. Tom Jeter placed low, covers were put on the card tables. In the center four cups of candy forming a four leaf clover were placed on a white doily. Then the hostess served a lovely refreshment plate of chicken salad on lettuce leaf, smacks, olives and a bar of candy. Coffee was also served and leaning against the cup was a valentine with a picture of a boy and girl, and in the boy's pocket was a scroll on which was written "Catherine and Buck, February 7th."

BRIDE-ELECT IS HONORED

On Monday afternoon at 1:30 a host of relatives and friends gathered at the home of Mrs. Gus Pimpler in honor of Miss Florence Johns, bride-elect of Milton Lemke of Seguin. Games were played and enjoyed by all. Prizes were won by Mrs. Hermon Barkemeyer, Mrs. Ben Blackie, Miss Olga Lange and Miss Ida Vogelsang. Following the games a refreshment plate consisting of fruit cake, sandwiches, cookies and coffee were served with chocolate stars as plate favors. After opening the many beautiful and useful gifts of which she was very proud the honoree thanked them and invited all to her church wedding which will take place on January 25th and also to the dance at Burlington Hall that night.

INSTALLATION OF OFFICERS

Cameron Rebecca Lodge No. 46 held public installation of officers at the Odd Fellows Hall Tuesday evening. Mrs. Berl Klinge of Waco, and a staff of officers from there, were present and conducted the installation.

The following officers were installed for ensuing term:

Noble Grand, Mrs. Billie Radtke. Right hand supporter, Mrs. Lula Gillis; left hand supporter, Mrs. Lora Bass.

Vice-Grand, Mrs. Ida Swift; right hand supporter, Mrs. Corrie Roberts; left hand supporter, Mrs. Annie Heinrichsen.

Secretary, Mrs. Estelle Terry. Treasurer, Mrs. Eula Crook. Inside Guardian, Mrs. Gill. Outer Guardian, Mrs. Berl Klinge. Following the installation ice drink was served.

WOODMEN CIRCLE BANQUET

The Heart of Texas Grove gave a banquet honoring Mrs. Laura E. Krebs, State Manager of Texas and other state officers, in the Roosevelt Hotel in Waco Wednesday evening. Mrs. Ann Marie Laake was accompanied to Waco by Mrs. Louise Weems and three drill members, Mrs. Ford Caperton, Mrs. Nettie Storey and Mrs. Inez Ansell.

During the banquet several toasts were given including those by Mrs. Weems and Mrs. Laake. Following the banquet the Cameron women were invited to the home of Mrs. Mary Searmarter for a bunco party. Mrs. Searmarter will be in Cameron Tuesday for an all day meeting with

KNIGHTS OF PYTHIAS

At the regular meeting of the Knights of Pythias Lodge, Monday January 27th the Rank of Knight was conferred upon J. M. Mitcham.

The following were elected to membership in the Lodge and will receive the Rank of Page at the next regular meeting which is Monday, February 3rd:

Joseph B. Ward, Alfred Price, J. W. Stufflebeme, Jr., J. Labert Young Jr., James F. Hurst, Edgar M. Allday, Frank F. Wiggs, R. N. Murphy, R. M. Gjeldre, Alfred Stobener and W. C. Moody.

JUDGE GILLIS ILL

Judge Graham Gillis of the District Court was able to be up and about his home today for the first time in several days. He has been suffering from an attack of influenza and hopes to be back at his office late this week.

SEWING ROOM PROGRAM

The Cameron sewing room, giving employment to 20 persons, has made 3,967 garments in the past three months. These garments are being delivered to the local relief offices to be issued to the needy of Milam County. 196 garments were made for the nursery schools in Cameron, and were made to fit each individual child. Approximately 200 garments have been made for the county indigents at the request of the local case worker and 8000 yards of material was used in making these garments. This material was furnished by the Federal government, city and county sponsors.

The sewing room is open to visitors during work hours each day.

EPISCOPAL CHURCH

Sunday, February 2nd, Morning Prayer and Sermon at 9 o'clock.

DOWNS-LOONEY

Mr. and Mrs. O. R. Looney of Maysfield announce the marriage of their daughter, Helen, to Mr. James Lickell Downs, III, son of Dr. and Mrs. James Lickell Downs, II, of 6028 Swiss, Dallas, on Wednesday, November 22, 1939, at Richmond. Mrs. Downs, III, is a graduate of Yoe High School and received her degree from Texas University college of Nursing at Galveston, on January 27, 1941. Her husband is a graduate of Texas University, a member of Phi Rho Sigma at John Sealy Medical college from which he will receive his M. D. degree in June 1941. In July the young doctor and his wife will go to Detroit, Michigan, where he will intern at City Hospital.

SHOWER GIVEN FOR FUTURE BRIDE

Mrs. Randolph Williamson's courtesy to Miss Catherine Terry took the form of a lingerie shower when she entertained Saturday evening at her home. Miss Terry will become the bride of Buck Whiteley on February 7th.

Before beginning the 42 games the honoree opened her gifts. The dining room table was covered with a lace cloth and in the center was a large valentine box containing the presents. An archway in the shape of a heart was cut in the front of the box and on a small platform stood a bride and groom. Mrs. Mott Terry won high in the games and Miss Elizabeth Fanning won low. They presented their gifts to the bride-elect. The valentine motif was carried out in the score cards and talleys. The hostess served pear salad which formed the face of a bride and grated cheese was used for the hair, also calla lily sandwiches and smacks, pickles, maccaroons and hot tea were served.

MOVE TO ROCKDALE

Mr. and Mrs. Clyde Greenlees and sons, Clyde Sidney and Joe Frank, recently moved to Rockdale where Mr. Greenlees is employed in the parts department of the Gaither Motor Company. They will be missed by their many friends in Cameron.

CHRISTIAN SCIENCE SERVICES

"Love" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, February 2.

The Golden Text is: "The Lord hath appeared of old unto me, saying, Yea, I have loved thee with an everlasting love: therefore with loving kindness have I dawn thee" (Jeremiah 31:3.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Beloved, let us love one another: for love is of God; and every one that loveth is born of God, and knoweth God. He that loveth not knoweth not God; for God is love" (1 John 4:7, 8.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "God is what the Scriptures declare Him to be,—Life, Truth, Love." (page 330.)

SHRUBBERY WANTED

In order to beautify the Wilson-Ledbetter park the Girl Scouts of the City are planting shrubbery throughout and are making a request that anyone who has shrubbery to give them to please get in touch with Mrs. Lottie Bigbee. As soon as notified they will call at your home for the bushes.

CARD OF THANKS

We want our friends in Cameron to know how very much we feel obligated for their help during the recent illness and at the death of our beloved wife and mother, Mrs. J. W. Sykes. For your kindness and words of sympathy that helped us to bear the burden of sorrow we are thankful and take this method of expressing our appreciation to each one. We thank those who gave flowers and all who in any way assisted us.

RESULTS ON GAMBLING RAID MADE RECENTLY ARE OBSCURE

What happened to some 10 people surprised in a down town bar in a gambling game, was not clear.

The Herald was told by Womack Brashear, Justice of Peace, that the officer found only chips and no money and they couldn't prove they had used money.

For the information of the public it is a violation of the law to play with cards in a public place regardless of whether chips are exhibited. If the men were found playing poker with chips they were violating the law and persons so arrested cannot be excused on this ground.

It is sometimes difficult to obtain correct information on cases of this kind. The report is that some have paid fines, but this is not official.

When Mary Hardin-Baylor College Bolton, celebrates the 96th anniversary of the founding of the school on February 1, special recognition at the homecoming is to be given members of the Class of 1891, the 50 year class. Mrs. Jeff T. Kemp was a member of this class, and has received invitation from the college Alumnae Association to attend the two-day celebration.

Allen Varner of Gause was a business visitor here Wednesday.

A Gentle Laxative • Good For Children

Most any child who takes this tasty laxative once will welcome it the next time he's constipated and it has him headachy, cross, listless, with bad breath, coated tongue or little appetite.

Syrup of Black-Draught is a tasty liquid companion to the famous BLACK-DRAUGHT. The principal ingredient is the same in both products; helps impart tone to lazy bowel muscles.

The Syrup's flavor appeals to most children, and, given by the simple directions, its action is usually gentle, but thorough. Remember Syrup of Black-Draught next time. Two sizes: 50c and 25c.

From Egypt's bondage to the Plains of Abraham—in quest of LAND!

It was not enough that Moses should deliver his people from the yoke of the Pharaohs—there must be land; there must be a solid foundation upon which a people may worship freely. So man's search for Freedom has been in a large sense of seeking for land. For in reality there can be freedom for no more people than the land can feed—America's riches lie in the abundance of her lands, lands that her people own!

LAND IS WEALTH

What is yours in this world? You have a car, clothes, a little jewelry, and perhaps some cash and securities in the bank. But there is only one durable possession that a man may own, and that is LAND. Is there a part of this American earth that you can call your own?

THERE'S sense to Whitey Wilson's slant: "I know a lot about food and drink. The customers I consider the smartest nearly always order Southern Select beer. I know why they do this. It's because it's the best—regardless of price. You can't get that light swell taste in any other beer. Sure I drink it myself—nothing else!"

Keep on serving it and enjoying it, Whitey! It's the only beer in the South brewed with distilled water—only finest beer grains are used—and every drop is aged for months!

—THE PUBLISHERS.

"GOING CONCERN VALUE"

... what is it worth to the customer?

IN the face of rising taxes and increased commodity prices, natural gas is STILL the least expensive item in the cost of running a household.

◆ Lone Star Gas System, of which your local gas company is a part, is an INTERCONNECTED pipeline system connected to more than 1,200 wells in 60 gas fields.

◆ The 4,700 miles of interconnected pipeline system of Lone Star Gas System extend into every proved major gas field in its territory, assuring its customers a dependable and adequate supply over a long period of years.

◆ Modern facilities of Lone Star Gas System include 21 giant compressor stations for supplying large quantities of natural gas from far distant fields to maintain dependable and uninterrupted service under any and all weather conditions.

◆ Pioneers in the development of natural gas in Texas, Lone Star Gas System is recognized throughout America for the high standard of its service.

WHEN you turn on a gas appliance in your home—to boil a pot of coffee—or cook a meal—or take a bath or provide heat to protect your family's health and comfort against freezing temperatures—you do so with *faith* that the gas will be there. Such a feeling of security is actually CONFIDENCE IN THE DEPENDABILITY OF YOUR GAS COMPANY AS AN EFFICIENT "GOING CONCERN."

It is difficult to measure such a dependable "going concern" value in terms of dollars and cents. It is an item of safety and security that never appears on your gas bill for service rendered but is of untold importance to you throughout the years.

Today there are all kinds and grades of commodities and services on the market. Many are of full value. Others are not because they lack the assurance of dependability. Prices vary in direct proportion to quality and permanent satisfaction. In each case you usually get what you pay for.

Your grocer, baker, druggist; in fact, all business concerns, from their years of experience, know that "something just as good for less cost" is usually either temporarily distressed merchandise or an inferior product. There are no short-cuts to dependability and lasting high quality. This is true of gas service as in other items that make up the details of running a household.

THE TEXAS POWER & LIGHT COMPANY IS FULLY PREPARED

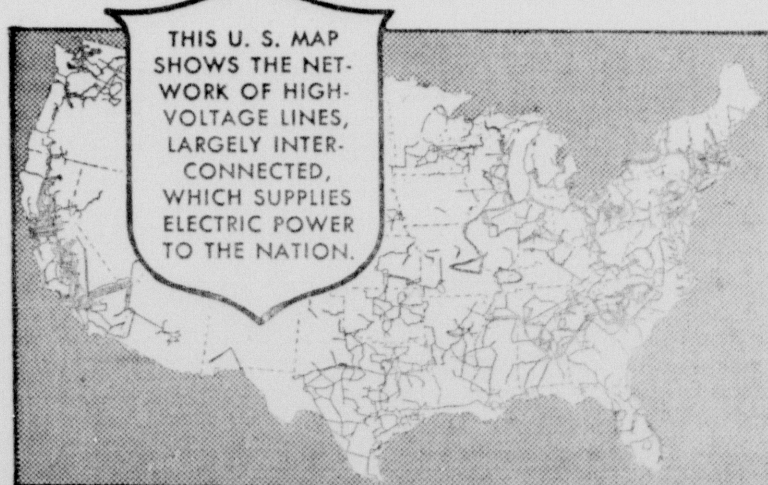

GEARED TO THE NEEDS OF NATIONAL DEFENSE

The electric facilities of the Texas Power & Light Company are geared to meet the power needs of national defense in the area it serves. This Company is ready with ample power, personnel and facilities because it has always planned ahead!

Electric power companies all over the nation are reporting the same state of readiness. Ample electric power is available wherever and whenever and to whatever extent national defense activities have need for it

This is welcome news to all of us now—when we are trying to peer into a future without familiar guideposts. At a time when the nation needs its cash to provide clothing, food, shelter and medical care for our sons in training camps . . . to build planes, ships, tanks, guns, and other defense materials . . . it is comforting to know that none of that money must go to provide additional electric power facilities.

The electric industry is ready, willing and able to serve the nation's needs for power!

The Texas Power & Light Company places behind our National Defense Program the full measure of its resources. This Company is ready to do its part in the National Defense Program . . . to provide, promptly and efficiently, an adequate supply of cheap, dependable power for every defense need as well as your daily requirements.

FACULTY MEMBER IS MARRIED FRIDAY

Miss Dorothy Kidd, daughter of Mr. and Mrs. O. L. Kidd, and Dr. Robert Rhode of Kingsville, were married in a quiet wedding ceremony at the home of the bride's parents Friday afternoon at 3 o'clock.

The guests were greeted at the entrance and ushered into the reception rooms by the brother of the bride, Wayland Kidd. Younger sister of the bride, Marjorie Kidd, wearing a rose print crepe dress and corsage of blue cornflowers, presided at the bride's book. Prior to the ceremony Mrs. Vernon Collins sang "Because." She wore a lovely black crepe dress with pink accessories and a corsage of pink carnations.

An improvised altar of greenery and pale pink gladioli formed an appropriate setting for the beautiful ring ceremony at which Rev. C. W. Sanders officiated.

The bride selected a navy jacket-er frock with Irish linen and lace revers, featuring high V décolletage, yoked bodice and unpressed pleats. Her hat was a creation of ribbon and straw and a flattering illusion veil. Her corsage was a pale pink camellias and her only jewelry was a pearl necklace. She wore gloves of white kid with pearl clasp at the wrist.

Miss Winnelle Kidd, sister of the

bride, played the traditional Lohengrin Wedding March. Miss Kidd was attired in a pastel pink model, featuring tucked bodice and toast colored accessories; her corsage was of blue iris.

Immediately following the ceremony the bride cut a beautiful pale pink cake in the shape of a wedding ring. Miss Lucille Rhode, sister of the groom dressed in powder blue crepe, assisted Mrs. Kidd in the tea service. Mrs. Kidd, mother of the bride, wore a spring print frock of blue and a corsage of pink carnations.

The couple left for a short trip and on their return will make their home in Kingsville where Dr. Rhode is professor of English at the Texas College of Arts and Industries.

INFANTILE PARALYSIS BENEFIT

BRITAIN WILL NOT PAY FOR AMERICAN AID

Henry Morgenthau, Jr., secretary of the treasury, said today that Great Britain will never pay her debt to the United States.

Whatever responsibility this country decides to assume for the conduct of the war will be at our own risk, both financially and from the standpoint of possible involvement.

The Loan Lease Bill sponsored by Roosevelt, was traveling a rocky road in Washington and every possible effort was being made by political groups to aid Germany in the war on Great Britain.

Administration forces were believed to be gravely concerned over proceedings and the forthcoming vote in Congress may be a severe test for Roosevelt's leadership.

It was known that administration leaders were attempting to get modification of the bill so that Congress might retain some of its liberty and Roosevelt would not be made dictator.

Many members of the Congress friendly to Britain, were displeased over the extraordinary grant of power to the President.

In the meantime there was little hope of aid to Britain of sufficient amount to save her from Germany.

WITH THE BAPTIST

Joy and gladness is felt in our congregation over the fact that flu is subsiding and the weather every Sunday in January was fit for church going. Join us in the glad and glorious, divine effort that will make our church prosperous in every way. God has always led those who will submit to his leadership and, conscious of this fact, we stand obedient and ready to day.

Men, you little realize how many people you make happy when you are faithfully serving the Lord. Father and mother, if living, are glad; wife and children are happy; the pastor and church are happy; your friends rejoice with you and last, you are glad yourself that you have had a vital part in furthering the most worthy cause of earth and heaven. From my own experience in Sunday School I learned to love the Bible. In its biographies I found inspiration for strenuous living, by the light of its counsel I received guidance for life's pathway. As I speak these words my heart warms with gratitude for the Bible. It is the text of all church services. Is it your counselor, teacher, prophet, priest, comforter, brother and friend? It is the truth. You cannot get on well without the Bible.

We are after new-comers for our services based on this Bible. You hear people say with refer-

ence to some passages in the Bible, "Oh, I don't believe that!" When God says a thing it is so, whether or not anyone believes it. It is impossible to believe that part of the Bible that suits you and disregard the other part that pinches your toe. Either God is an infallible God to you, or He is nothing at all. Hebrews 10:25. Do you believe it? Can we practice it?

Sunday School at 9:45. Last Sunday's attendance was 270. Let's strive for 300 next Sunday. Morning Sermon "Why Sleep in Church" Matt. 25:13. Training Union 6:21. Subject: What the Holy Spirit Does for Me. Attendance last Sunday night was 82. 25 people were chasing rabbits. Let's don't chase rabbits on Sunday night. Come to Training Union. Evening Sermon "The Blood of One for Many."

RED CROSS MEETING

There will be a County-wide meeting of Milam County citizens next Tuesday at 3 p. m. at the Chamber of Commerce office Cameron, for the election of officers and for consideration of a quota of garments to be sewed and knitted for war refugees.

J. D. Peoples of Milano was a Cameron visitor Friday.

White Kitten Given Home by Fred Jackson

Kindness today had saved the life of a beautiful white kitten.

Fred Jackson at the Blue Bonnet Cafe who first brought Jackie-White, the white sparrow to the attention of the Daily Herald, has taken in a kitten. He found her on the street, no doubt abandoned by somebody who has yet to learn the lesson of kindness.

The kitten, a snow white with blue eyes, has not as yet been named. She was feeling better after a good bath and something to eat.

Its the best news of the day heard by The Herald. There's a lot of proper goodness in any man who takes pity on a starving abandoned kitten.

Let's listen to a conversation between a contractor and his client... just as it actually occurred one day...

CONTRACTOR: "Mr. Jones, I'll have to revise the estimate I gave you on the lumber-cost of your home."

JONES: "That's all right with me, as long as you don't RAISE the cost. I can't afford it!"

CONTRACTOR: "That will not be necessary for when you deal with Wm. P. Carey Lumber Company you can always rely on their estimate and besides get the best in quality."

JONES: "Well; I am going to recommend you to all my friends who are going to build."
